International Student Credit Hour Change-

(Full-Time Status 9 hrs instead of 12 hrs)

Approved Motion reads:

It was moved by Ms. Berry to approve Graduate student enrollment in at least nine (9) credit hours per semester constitutes full-time registration for purposes of satisfying federal reporting requirements for F-1 and J-1 international students. This definition of enrollment for federal reporting purposes does not alter enrollment requirements set by Colleges, departments, or other special programs for their academic or program purposes.
