

Proposal to Change the Process for Reinstating Graduate Students

Current Policy (as reflected in the *Graduate Bulletin 2003-2005*)

On page 64, under “Suspension, Dismissal, and Reinstatement,” the relevant section reads as follows:

“[A student who falls below a 3.0 for two consecutive semesters will be dismissed from the University.] However, at that time the major professor may petition the academic dean and the Dean of Graduate Studies for consideration of special circumstances which the professor thinks constitute justification for an exception to this regulation”

Proposed Change

The proposed policy change would eliminate the phrase “and the Dean of Graduate Studies” from the sentence above.
