

Approved by GPC 3-15-93. Approved by Faculty Senate.

S/U (Pass/Fail) Policy Change-

Mr. Max Carraway, University Registrar, requested a policy change regarding graduate students registering for courses on a pass/fail basis, to ease confusion within the Registrar's Office. Currently, the Faculty Senate policy allows students to change from pass/fail to a letter grade through the fourth week of classes, but permits registration as pass/fail only during the first week of classes. He proposed that graduate students be allowed to change to pass/fail as well as from pass/fail at any time during the first four weeks of class.

Approved motion reads:

**It was moved by Mr. Outlaw to allow four weeks for graduate students to change from a letter grade to S/U. The motion was seconded by Ms. Fichter.**
